Amendment No. 04  
RFP No. 090037

This Amendment No. 04 is issued to the above referenced RFP Number in order to:

1. Extend the proposal due date to May 22, 2009. Block 13.A of the SF1442 is hereby changed from 5/19/2009 to 5/22/2009.
2. Respond to the following questions received as of May 11, 2009:

**Question:** Is a CAD drawing of the 9th Floor in .dwg format available for bidding this project?

**Answer:** A 1/8th scaled .pdf drawing of the ninth floor architectural floor plan is available (on CD) for informational purposes and will be mailed to interested parties that were previously mailed hard copy drawings associated with RFP090037. This drawing is made available in .pdf format because the CAD drawing provided on the CD is in Microstation format, not the requested .dwg format.

For interested parties that have not yet requested drawings, send your requests to Matt Hazlinsky at [mhazlins@aoc.gov](mailto:mhazlins@aoc.gov) and include your mailing address.

**Question:** Can we get hard copies of existing duct drawings for the 9th Floor? (This would be helpful in determining how many sprinklers would be required underneath duct work.)

**Answer:** Duct drawings for the 9<sup>th</sup> Floor are not available.
